

Cosmetics play a vital role in enhancing your beauty and accentuating one's features to make you look your very best. With a plethora of options available in the market, it is important to choose products that suit your complexion and skin type. Rouge Bunny Rouge, the global beauty brand from London combines the best from the worlds of cosmetics and design while substantially blurring the line between make-up and skin care through technological advancement.

Rouge Bunny Rouge introduces an extensive line of cosmetics that range from the sleek feel of the carefully selected compacts to the stunning shades of lipsticks. Aqua Primer 'PRELUDE IN THE CLOUDS' (AED 155) leave an even, fresh and dewy appearance. The Liquid Foundation 'MILK AQUARELLE' (AED 190) mixed with a drop of Bronzing Glow Liquid 'AS IF IT WERE SUMMER STILL' (AED 210) will wake up your skin with a halo of warmth and can add subtle golden highlights in even the greyest time of the year. The dreamily light gel texture blends and moves with the contours of the face like a second skin and minimises imperfections to give the appearance of a flawless complexion whilst allowing your natural beauty to show through.

'FINE-SPUN LIGHT' (AED 140), the Luminous Skin Wand which is infused with Haloxyl can be blended on the nose, under the eyes, and over any imperfections and will help to disguise dark circles and fine lines, and for a long-term reduction of under eye shadows. A hint of Flawless Face Powder PRECIOUS VELVET (AED 175), available in four shades, will give your skin a natural, velvety appearance and smooth finish. Effortless radiance and sophistication in a pressed powder, with a texture so light it melds with your skin, making it naturally flawless. For evening intensity highlight your eyes with the coquettish lustre of the Quartz Eyeliner 'DEVOTION INK' (AED 95). Multi coats of the deep black Modelling Mascara WITCHERY will elongate your lashes, and give volume and separation in the same time.

The rich colours of the Colour Burst Lipsticks (AED 95) are enriched with Vitamin E, to nourish and protect from dryness and ageing. The easy glide, hydrating formula ensures superb comfort and softness. The formula of the Loose Glitter Pigments contains a super high percentage of pearl, which will grant your eyes a marvellous shine and luminosity but with a weightless feel.

In an era when most brands are concerned with following trends, Rouge Bunny Rouge provides something quite different; a thoughtfully balanced palette of colours, for true seekers of beauty, who choose beauty over brand name or fad. This gorgeous range is available across all the Beautybay stores.
