1 Pure Color Stay-on Shadow Paints include a range of long-lasting hues in a creamy and richly pigmented formula that glides onto the lids with mousse-like softness. Worn alone or mixed to create infinite seductive and sophisticated looks.

2 This vintage-inspired pillbox filled with organic lip balm is made with skin softening shea butter, sun protecting raspberry seed oil and moisturizing sweet almond oil. With added antioxidants this balm will protect lips and keep them looking good on that special day.

3 Skin-tone imperfections are blended with this complexion-smoothing refiner. Ingredients bind to the skin, providing an instant and long-term smooth and supple appearance. The shade is formulated to correct red tones in skin, while rich emollients nourish. Pores are diffused and skin is noticeably more refined.

4 Neckline by the Somme Institute is a firming, hydrating formula that improves the appearance of lines and hyper-pigmentation/sun damage when applied to the neck and chest. The cream delivers high-potency ingredients directly and deeply into the skin for profound visual changes in skin texture, radiance and overall look.

5 OPI nail polish uses soft, pretty shades that whisper romance, sophistication and style. The range of delicately chosen colors is the ideal palette for beautiful brides and prom princesses.

6 Discover a new you with instantly thick, long, voluminous, curly lashes using professional application techniques, lash by lash. Goddess Lashes' Advanced Lash Artist will customize your lash application to exacting needs and specifications.

7 This youth-protecting foundation casts a veil over redness and imperfections while evening skin tone with a creamy yet feather-light texture. Perfect for that flawless wedding day complexion that every bride dreams of.

8 This retexturizing body towel is formulated for a targeted exfoliating treatment that will leave skin firmer and brighter. This treatment addresses multiple body concerns. Skin will appear brighter and more luminous, and will feel refreshed and invigorated.
