**Jane Iredale's Jelly Jar in Green**

Looking for more of a statement this season? Try Jane Iredale's Jelly Jar in Green, a shimmering golden olive. A soft and creamy eyeliner that can create the sensual and bold look of kohl liner but with natural and chemical free formula. Create a defined strong look or a softer, sexier smudged feel. Long wearing and highly pigmented, Jelly Jars will create the saturated color you are craving. \$28, [JaneIredale.com](http://JaneIredale.com)

**Clé de Peau Beauté's Eye Color Quad**

For a softer subtle pop of color dive into Clé de Peau Beauté's new line of eye color quads. Selected to reflect the rich colors that radiate deep within the night sky, the palettes are presented with four complementary tones. Infused with Premium Argan Tree Oil helps ensure fade-resistant color and White Lily Extract moisturizes the delicate eye area. \$80, [Nordstrom.com](http://Nordstrom.com)

PRETTY IN THE CITY:  
THE ROYAL EYES

As the shades of the leaves change, so should our eye makeup! You don't have to completely uproot your routine says BELLA's Contributing Beauty Editor Dara Kaplan, but it is nice to add a dash of royal, deep, sultry colors, especially on your face's most important feature, your eyes. Autumn is the perfect time to throw on a shimmer moss green liner or a smoky eye with a subtle shimmer.

**Rouge Bunny Rogue Raw Garden Eye Shadow Palette in "Chronos"**  
Dreaming of a treasure trove of gleaming iridescent jewels? Indulge with Rouge Bunny Rogue's new limited edition, eye shadow palette feels precious and luxurious. The creamy, shimmering colors will illuminate your eyes and add sparkle in the subtlest way from a natural cream highlight to a soft violet to a complimentary teal. \$59, [BeautyHabit.com](http://BeautyHabit.com)
